

Tennessee Fuel & Convenience Store Association

*2019
Corporate
Sponsor
Program*

The Tennessee Fuel & Convenience Store Association invites you to be a 2019 Corporate Sponsor.

Your participation in the program demonstrates your commitment to the fuel and c-store industries. You will also reach influencers, decision makers and open doors for your products and services by becoming a Corporate Sponsor.

The association continues to offer more opportunities for recognition and visibility. Our Platinum sponsorship level offers all of the benefits of the Gold level PLUS exclusivity in your business classification AND a complimentary golf foursome at the Summer Event!

TFCFA leadership and staff continue to look for ways to enhance your sponsorship experience. We are already working on plans to improve traffic flow and buyer/seller interaction at the Summer Event. The Sponsor Recognition Luncheon also continues to be an effective platform for sponsors to be seen and heard.

Sponsorships deliver visibility and impact. Gain a competitive edge by becoming a 2019 sponsor.
